Product Description

outside winter-proof, casual style,water-proof,polyester material,for all situation wears

Description:

This coat has a loose version, which guarantees the comfort of wearing, while the lining is soft and fits the skin, providing a warm experience for the wearer. In the neckline part, it uses a suit collar and hooded design, which effectively prevents the cold wind from invading, and also increases the sense of fashion.

This coat is also very particular about the material, it has good warmth and durability, but also easy to clean and maintain. And its filler is bio-down, which makes our product warm and easy to clean in wash machine. And it can be worn for whole winter.
