Product Description

Winter Long Padded Jacket, Vertical Stripe Design for Slim Look, Below-Knee Length for Warmth, Belt Accent for Style

Product features:

Long padded jacket is the ideal choice for winter when the chill has not completely dissipated, this long padded jacket length reaches below the knee, which can be a good insulation for the body. The style is simple and generous, and the vertical stripe quilting design is more visually stretching the height of the wearer, making people appear more slender and slender. The embellishment of the belt embellishes the body, but also adds vitality and highlights to the whole outfit.
