Product Description

Multiple Pockets Long Winter Coat Men for Cold Weather Protection

Product Description:

This long coat male is specially designed for the modern man who wants to stay warm while looking his best. The one-meter length of this coat is perfect for keeping you fully covered and protected from the elements. Whether you're walking to work or running errands around town, this long winter jacket will keep you warm and comfortable all day long.

The side-hem zipper design is a unique feature that adds both style and functionality to this winter coat. It allows for easy movement and ventilation when needed, while also adding a touch of modern style to the overall design. This feature is perfect for those who love to stay active even during the winter months.

This Man Winter Coat is suitable for anyone looking for a reliable and high-quality winter coat that can stand up to even the coldest temperatures. Its durable design and high-quality materials make it an excellent investment for anyone who wants to stay warm and comfortable during the winter months.

Don't settle for a low-quality winter coat that won't keep you warm and comfortable during the coldest months of the year. Invest in our premium quality Man Winter Coat today and experience the difference for yourself!

Applications:

One of the key features of this winter coat is its windproof design. The coat is made of high-quality materials that can block out the wind, ensuring that the wearer stays warm and comfortable even in windy conditions. The side-hem zipper design provides additional protection against the wind and also makes it easy to put on and take off the coat.

The ICEBERA MWD3479I winter coat is also breathable, which means that the wearer won't feel stuffy or uncomfortable even when wearing it for extended periods. This is an important feature for people who are active and need clothing that can keep up with their movements.

This men's cold weather jacket is available in sizes 48-56, making it suitable for a wide range of body types. The long coat style provides full coverage and protection against the cold, making it an ideal choice for people who spend a lot of time outdoors during the winter months.

At a price of \$63 per piece and with payment terms of T/T, the ICEBERA MWD3479I winter coat offers excellent value for money. With a supply ability of 200 pieces per week and a delivery time of just 5 working days, you can rest assured that your customers will receive their orders promptly.

In summary, the ICEBERA MWD3479I winter coat is a reliable and comfortable option for anyone looking for a full-length winter coat that is windproof, breathable, and suitable for a wide range of body types. Whether your customers need a coat for work, outdoor activities, or

casual wear, this men's cold weather jacket is sure to meet their needs.

DETAIL DISPLAY

Premium Quality Materials

Men's winter jackets are made from high-quality fabrics that offer exceptional warmth and insulation, ensuring you stay cozy even in the coldest of temperatures.

Stand collar and hood

Designed with a stand-up collar and hood for extra warmth and blocking the cold wind. Suitable for daily outings, travel and other outdoor activities.

Arm pocket design

Adding extra storage space gives a distinctive feel to clothing by diversifying decorations to make them more distinctive and appealing.

Side-hem zipper design

Add comfort and design to your clothes for walking and sitting outside.

Please do not put a waterproof heat conductive can put and change. It's quite simple, boring, disposable item.
