Product Description

This is a classic mid - length, thickened padded/down jacket with a color - blocking design both inside and outside. The side seams are also accented with color - matching color - blocking. The hem is adorned with a zipper, which not only enhances mobility but also serves as a classic decorative element. The high - quality metal accessories further elevate the overall sense of quality of the entire garment. The ingenious design of the zipper and four side - inserted pockets is the highlight that makes consumers fall in love with it at first sight. This is a classic piece of clothing that you deserve to own, capable of keeping you warm while showcasing your taste.

Dual-Sided Fashion, Switch at Will – Workwear Casual & Checkered Reversible Jacket
