Hybrid Windbreaker-Padded Jacket

The Ultimate Transitional Outerwear for Spring/Autumn

Smart Dual-Function Design

- **Convertible Collar System:** Easily switches between structured windbreaker mode and cozy padded jacket style
- **Strategic Fabric Paneling:** Rigid windbreaker fabric on top maintains shape, soft cotton padding below ensures comfort
- **Adjustable Waist Drawcord:** Customizable fit accentuates waistline for flattering silhouette

All-Season Versatility

- **Breathable Layering:** Ideal for 15-25°C temperature ranges
- **Short Cut Design:** Modern length prevents height compression
- **Neutral Colorways:** Timeless shades match all wardrobes

Functional Details

- ✓ **Water-Repellent Shoulders:** Light weather protection where needed
- ✓ **Reinforced Stitching:** Durable construction for daily wear

✓ This innovative hybrid jacket combines the sophistication of windbreakers with the practicality of padded jackets, creating a highly versatile transitional piece
